Our Process

Firstly congratulations and welcome to Marmaris Beach Weddings! We understand it can be quite overwhelming to plan a wedding abroad so we have tried to make our process as straight forward as possible. Here is a little guide to the next steps of planning and booking your wedding with us.

- **Step 1:** Choose a package and decide if you would like to add on a reception party and meal & any extras.
- **Step 2:** Choose a date for your wedding
- **Step 3:** Pay a Save the Date deposit or a 20% deposit to secure your wedding package. All deposits as received through a UK bank account showing full proof of payment.
- **Step 4:** Receive your booking confirmation and start planning for your special day.
- **Step 5:** Receive documentation from us 5 months before your wedding date to complete an affirmation form each and have it sworn and signed by a solicitor and legalised by the UK government online.
- **Step 6:** Receive a checklist from us to fill in to make sure all requirements are met before you fly out for your wedding holiday and arrange a date for your pre wedding meeting.
- **Step 7:** Fly out for your wedding holiday and carry out your pre wedding meeting where you will be taken to the marriage office to process your documents and to the florist to choose your bouquet. You will receive an itinerary of your wedding day and outstanding payment for your wedding will be due at your pre wedding meeting.
- **Step 8:** RELAX & ENJOY your wedding holiday until your special day!

Our Story

Our Company

The founder-partners Mehmet Yoruk & Donna Kocak are seasoned travel professionals who are both certified wedding planners. After working with a leading wedding company in the UK for many years, Donna decided to utilize her expertise by joining forces with Mehmet in their own company, Marmaris Beach Weddings, registered under the name of Memfis Organisation (TC CRN No: 34958).

Why Us?

Marmaris Beach Weddings was established ten years ago and as a dedicated event planning company, the company ONLY specialises in weddings in Marmaris. Being local in Marmaris means that our dedicated team has knowledge of all service providers that are suitable for each individual wedding and no third parties are involved. We offer a range of full-service, affordable wedding packages to suit all tastes and budget and our portfolio includes celebrities from UK, Arab Emirates and Turkey.

Unlike most wedding companies, our packages are fully-inclusive so there are no hidden costs and are designed to fit in with your wedding holiday even if all arrangements for flights and accommodation are booked separately.

Our team of full-time English speaking event planners will arrange every detail - legal requirements, venue decor, food & beverage, bridal bouquets, accommodation and can also arrange private consultations with you in Turkey, UK or Europe to discuss your event. Once you have booked with us, on arrival to Marmaris, you will carry out your pre wedding meeting, which will only take 2 hours maximum, and then you can relax and enjoy your holiday until your special day.

Since 2022 Marmaris Beach Weddings has its own wedding venue, White Pearl Bay Beach Wedding Venue. This has gave us the opportunity to hold private events and early ceremonies which was not possible at the other venues we work with. White Pearl Bay Beach Wedding Venue was designed by us with the experience in mind of what an overseas wedding venue needs. We have a private beach, private reception area with a dancefloor and digital lighting, a beach bar, bridal room for touchup and outfit change, open plan kitchen and a rainproof roof just incase of those summer showers that could disturb your perfect beach wedding.

Marmaris Beach Weddings can provide Fully Inclusive, Semi Inclusive or Reception Only services depending your budget and what you desire. Your wedding can be as casual or formal as you wish. Please rest assured we have **NO HIDDEN EXTRAS** and your package you have decided on will be only what you will pay for when you come out for your wedding!
